

CREED FINANCE WHITEPAPER v1.3

23rd April 2021

WHAT IS CREED?

CREED is a dynamic investment plan aiming to accomplish 60% APY on any investments regardless of the amount, subject to a minimum of 500 CREED. The initial investment is always safe and refundable in 1-3 working days back to the depositing address used by the investor on manual contracts.

HOW IT WORKS

CREED Investment programs is the only contract working manually in the tron chain. Our main goal is to build and maintain a stable system that will benefit our investors. By using price stabilization and manual contracting we will be able to avoid any issues that may occur on price.

CREED PRICE

As Creed Finance develops, the price of purchasing CREED will increase. This will enable us to research different projects and also provide further opportunities for investment.

We at Creed finance guarantee that there will be no loss to profits as a result of the price increases, these adjustments will only benefit our investors.

CREED TOKEN BURN

As the company develops, Creed Finance will carry out various token burns to reduce the circulating supply, further strengthening the price of CREED.

100,000,000 CREED is planned to be burned.

Further details of token burns will be announced separately in our telegram channel.

CREED INVESTMENT PLAN

Creed Investment Plan works as follows:

Investor sends the desired amount in TRON (TRX) to the Owner (TRX) address:

TEA4X68SNttYYhiSxv4UzU6WA4qvXGptCQ

or CEO (TRX) address:

TWMuui42cLcuq2W2FBoA1EZyyjQ3acnUYq

All transactions and investments will be done through the addresses stated above, no other address currently holds any rights related to CREED FINANCE.

The investor will receive CREED tokens.

Investment starts after receiving the tokens and profits will be transferred to the investors TRX address in CREED every 5th day of each month until the investor asks for a refund of the initial investment.

On refunded investment, the profit earned up till the day of cancellation will be sent to the investor on the 5th of the following month.

Creed Investment team does private and safe investment plans for investors all around the world. Our team also advises investors to be responsible while investing in crypto as the whole market is new and the rules of the market have not been fully established.

CREED STAKING PLAN

Creed staking program offers a 60% APY interest on the investment of any amount over 500 CREED through proof of holding system. The staking rewards will be sent to any address holding 500 CREED or more between the 1st and the 5th of every month. The staking rewards will be based on the data recorded on the last day of the month at tronscan.org.
