These legal considerations are based upon a legal opinion by one of the most renowned blockchain related law firms in Netherlands. Because of the following reasons money laundering laws do not apply to the emission of the Bitcci Cash Token.

- BITCCI is the only emitting and receiving entity of the Bitcci Cash Token.
- The Bitcci Cash Token is a payment token and it can only be used as a currency to pay for products and services inside the Bitcci ecosystem.
- It is not meant to use it to pay for 3rd party services or peer to peer transfers between third parties.
- The main purpose of the Bitcci Cash group of companies is to provide technology and infrastructure services to customers. Compared to the main business activities of the Bitcci Cash group BITCCI is accessory.
- The minimum amount to buy Bitcci Cash Tokens is 0.01 BNB. Maximum - 10 BNB.

## The purpose of the Bitcci Cash Token

The Bitcci Cash Token is a payment Token, which can be used as a currency to pay for products and services inside the Bitcci ecosystem. And also it is the main currency in Bitcci NFT Game.

## Token Mechanics

Blockchain & Standard: **BSC / BEP-20**

Ticker: **BITCCI**

Symbol: 

Smart Contract Address:

**<https://bscscan.com/address/0xCe1d87D41E4ca4aaC3CEf8486226285853D1F2d2>**

### The Bitcci Cash Token smart contract can use:

#### Capping

This implies that the maximum supply of the Bitcci Cash Token can never go beyond the cap.

#### Burning

The token supply can be reduced by burning tokens. Bitcci Cash can buy back Bitcci Cash Token from regular market in the future and burn the same amount thus decreasing the total supply and eventually increasing its value.

#### Pausing

The smart contract of the Bitcci Cash Token is pausable thus giving Bitcci Cash a chance to halt all the token transfers when the token is in paused state. This will make sure that in case of any attack/hack on a centralised hot/cold wallet of an exchange, the attackers are not able to liquidate any funds that might harm the ecosystem.

#### Blacklisting

Suspicious BSC addresses can be blacklisted.
